

Technical drawing of a three-story building facade showing structural elements and dimensions. The drawing is divided into four vertical sections labeled 1, 2, 3, and 4. Key dimensions and components include:

- Vertical Dimensions (Right Side):**
  - Top floor level:  $\pm 4.58$
  - Second floor level:  $\pm 3.99$
  - Third floor level:  $\pm 2.90$
  - Ground floor level:  $\pm 1.40$
  - Basement level:  $\pm 0.00$
  - Below basement level:  $\pm 1.20$
- Horizontal Dimensions (Left Side):**
  - Section 1 width: 1053.509
  - Section 2 width: 140
  - Section 3 width: 10
  - Section 4 width: 125
  - Section 5 width: 15
- Structural Elements and Labels:**
  - RP200x100x4:** Vertical reinforcement bars.
  - RK100x100x4:** Horizontal reinforcement bars.
  - L50x50x5:** L-shaped corner braces.

$\pm 0,00=176,00$  m.n.p.m.
